

## **Middleburg's Favorite Farm and Cafe Bringing You Back to the Earth**

Dear Friends,

You have made Fields of Athenry's move to Middleburg such a delight! The past two weeks have showed us how loyal our customers are. We have seen so many of you come in, and have enjoyed being able to show and sell you our meats and cheeses, then direct you immediately to the cafe to taste them. We've had a number of first-timers these two weeks as well who've really enjoyed the space -- keep telling your friends and family about us! Share our newsletters with whomever you think would enjoy them. We know the hunger for true, grass-fed, hormone-free meats is growing and necessary! Let's get ourselves back to the earth.

Come see us at 7 W. Washington St., Middleburg VA. We have even longer hours, so you can get your shopping done when it is convenient for YOU! We are open Wednesday, 9-4, Thursday - Saturday, 9-6, and Sunday, 10 - 4. Pick-ups for pre-orders are Thursday - Sunday. And remember, if you're a pre-existing customer, you get 15% off your orders through the end of February when you come into the shop. And home deliveries are discounted from \$12 to \$8 through February, so it's time to pre-order!

**Don't Forget Your Weekly Pre-Orders!**

This week, the Side Saddle Cafe had our first Happy Hour Thursday from 4:30 pm - 8 pm. It was a huge success! The place was packed and people got happy. Come join us on Thursday's.

And don't forget that the cafe has live music Friday's and Saturday's from 6- 8 and Sunday's from 1-3. As you can see, Friday night this week was full of music, company, and cheers. Don't miss out -- get your fill of music, friends, and drinks at the Side Saddle Cafe all weekend long.

We know it's not February yet, but Valentine's Day will be here before you know it, and you don't want to be scrambling for plans! But don't worry, the Side Saddle Cafe has got you covered. If you're single this time Valentine's Day, don't spend the night in with a bottle of wine and a sad movie. Come out to Side Saddle Cafe for a single's party with signature cocktails and dancing music.
